

Better health starts here!

Welcome to Cerdelga® Life - your personalised pack of information about Cerdelga®, and support for living with Gaucher disease type 1

What's it for?

It's your resource full of information and advice about how to get the most out of your Cerdelga® treatment, and live life to the full. It includes a specially selected range of articles covering different aspects of life with Gaucher disease type 1 and taking your medication.

How do I use it?

In whatever way works best for you. It can be read from cover to cover at your own pace, or you can simply dip in and out of the various sections that most interest you.

Your healthcare team and the makers of Cerdelga® are your partners in helping you feel well and healthy. This pack has been put together specifically for you, to answer some of your questions and offer support. If you have any questions that are not answered by this pack, please do talk to your doctor.

We hope you find your Cerdelga® Life pack useful and informative.

Information for patients with Type 1 Gaucher disease who have been prescribed Cerdelga®

▼ This medicine is subject to additional monitoring. This will allow for quick identification of new safety information. You can help by reporting any side effects you may experience. If you get any side effects talk to your doctor, pharmacist or nurse. This includes any possible side effects not listed in the package leaflet. You can also report side effects directly via the Yellow Card Scheme at www.mhra.gov.uk/yellowcard.
