

# Here for you, whenever you need it

Welcome to Cerdelga® Life - your personalised pack of information about Cerdelga®, and support for living with Gaucher disease type 1

## What's it for?

It's a resource designed to help with the practical aspects of taking Cerdelga® and dealing with Gaucher disease type 1 every day. It's been put together by your healthcare team especially for you.

## How do I use it?

It's up to you! You can dip in and out as you like, pulling out the bits of most interest. There's no need to read the whole thing cover to cover, and it doesn't have to be read in any particular order. It is intended to be read and absorbed at your own pace.

Your healthcare team and the makers of Cerdelga® want you to feel as well and healthy as you can. We've worked together to create a pack that's unique to you. If you have any questions, or if there is anything you are unsure about, don't be afraid to talk to your doctor. That's what they're there for – to help you feel better.

We hope you find your Cerdelga® Life pack useful. Why not take a look through it to see what's there?

## **Information for patients with Type 1 Gaucher disease who have been prescribed Cerdelga®**

▼ This medicine is subject to additional monitoring. This will allow for quick identification of new safety information. You can help by reporting any side effects you may experience. If you get any side effects talk to your doctor, pharmacist or nurse. This includes any possible side effects not listed in the package leaflet. You can also report side effects directly via the Yellow Card Scheme at [www.mhra.gov.uk/yellowcard](http://www.mhra.gov.uk/yellowcard).
