

Let's work together for better health

Welcome to Cerdelga® Life - your personalised pack of information about Cerdelga®, and support for living with Gaucher disease type 1

What's it for?

It's a resource designed to help with all aspects of taking Cerdelga® and dealing with Gaucher disease type 1 every day. It's been put together with you in mind, so you can work together alongside your healthcare team to get the best out of Cerdelga®.

How do I use it?

In whatever way works best for you. Have a look through the pack to see what's in there; some articles offer practical advice or support, others help explain treatment with Cerdelga® and why it has been prescribed for you.

You, your healthcare team and the makers of Cerdelga® all have a part to play in helping you feel well and healthy. Together, we've put together a pack that's unique to you. If you have any questions, or if there is anything you are unsure about, please do talk to your doctor. That's what they're there for – to help you work towards better health.

We hope you find your Cerdelga® Life pack useful. You can read it from cover to cover, or just dip in and out as it suits you – it's your resource.

Information for patients with Type 1 Gaucher disease who have been prescribed Cerdelga®

▼ This medicine is subject to additional monitoring. This will allow for quick identification of new safety information. You can help by reporting any side effects you may experience. If you get any side effects talk to your doctor, pharmacist or nurse. This includes any possible side effects not listed in the package leaflet. You can also report side effects directly via the Yellow Card Scheme at www.mhra.gov.uk/yellowcard.
